

| No. | Part name                                  | Qty. |
|-----|--|------|
| 1   | Front wheel cover                          | 2    |
| 2   | Split pin / Cotter pin                     | 4    |
| 3   | Front wheel                                | 2    |
| 4   | Front axle                                 | 1    |
| 5   | Front axle right fixing plate              | 1    |
| 6   | Front axle left fixing plate               | 1    |
| 7   | Counterweight block                        | 1    |
| 8   | Axle pressure plate                        | 4    |
| 9   | ST4×15 Phillips self-tapping screw         | 47   |
| 10  | Middle cover                               | 1    |
| 11  | Upper cover air intake sponge              | 2    |
| 12  | Upper cover                                | 1    |
| 13  | 220V motor                                 | 1    |
| 14  | ST5×25 Phillips screw                      | 10   |
| 15  | M8 flange nut                              | 1    |
| 16  | 9×24×7mm bearing (ID×OD×Thickness)         | 1    |
| 17  | Motor mounting bracket                     | 1    |
| 18  | Brake block                                | 3    |
| 19  | 4.2×20×1.5mm flat washer (ID×OD×Thickness) | 3    |
| 20  | Brake pad                                  | 3    |
| 21  | Brake pad torsion spring                   | 3    |
| 22  | 10.2×16×1mm flat washer                    | 3    |
| 23  | 15×32×9mm bearing                          | 1    |
| 24  | Large pulley                               | 1    |
| 25  | Height adjustment handle right cover       | 1    |
| 26  | Height adjustment handle base cover        | 1    |
| 27  | Chassis ventilation sponge                 | 1    |
| 28  | Belt                                       | 1    |
| 29  | Wire clamp plate                           | 3    |
| 30  | ST3.5×10 self-tapping screw                | 6    |
| 31  | Chassis                                    | 1    |
| 32  | Blade positioning seat                     | 1    |
| 33  | Blade                                      | 1    |
| 34  | 8.2×22×1.5mm flat washer                   | 1    |
| 35  | Special-shaped washer                      | 1    |
| 36  | M8×25 hex flange lock bolt                 | 1    |
| 37  | Air guide plate                            | 1    |
| 38  | Air duct plug                              | 1    |
| 39  | Connecting rod                             | 1    |
| 40  | M4×16 flange screw                         | 2    |
| 41  | Rear axle                                  | 1    |
| 42  | Rear axle fixing part                      | 1    |
| 43  | Rear wheel cover                           | 2    |
| 44  | Rear wheel                                 | 2    |
| 45  | Handle adjustment gear seat                | 2    |
| 46  | M6×45 hex head bolt                        | 2    |

|    |  |   |
|----|--|---|
| 47 | Grass bag baffle support                   | 1 |
| 48 | M6×14 external hex bolt                    | 2 |
| 49 | M6×1.0 external hex lock nut               | 2 |
| 50 | Height-adjustable handle                   | 1 |
| 51 | Grass bag baffle                           | 1 |
| 52 | Grass bag baffle spring                    | 1 |
| 53 | Grass bag baffle pin                       | 1 |
| 54 | Switch box lower cover                     | 1 |
| 55 | Trigger torsion spring                     | 1 |
| 56 | Switch slider                              | 1 |
| 57 | Micro switch                               | 1 |
| 58 | Wire protection sleeve                     | 2 |
| 59 | Right operation trigger                    | 1 |
| 60 | Start button                               | 1 |
| 61 | Start button return spring                 | 1 |
| 62 | Switch box upper cover                     | 1 |
| 63 | Left operation trigger                     | 1 |
| 64 | Switch box mounting seat                   | 1 |
| 65 | Power input cable                          | 1 |
| 66 | Upper handle                               | 1 |
| 67 | Handle foam grip tube                      | 2 |
| 68 | Cable clip                                 | 2 |
| 69 | M6×48 square neck bolt                     | 2 |
| 70 | Quick clamp                                | 4 |
| 71 | M6 cylindrical nut                         | 4 |
| 72 | 26×6.2×2.5mm flat washer (OD×ID×Thickness) | 2 |
| 73 | Lower handle                               | 1 |
| 74 | Handle adjustment gear disc                | 2 |
| 75 | Power output cable                         | 1 |
| 76 | Cable hanger plate                         | 1 |
| 77 | Grass collection indicator plate           | 1 |
| 78 | Grass bag handle                           | 1 |
| 79 | Grass bag cover plate                      | 1 |
| 80 | Fabric bag                                 | 1 |
| 81 | Grass bag bracket                          | 1 |
